## Demo Checklist

Congratulations on moving forward to the next level of the interview process. As you complete the GPA lesson plan template for your demo, please be aware that we will be looking for the following:

- Enthusiasm
- Firmness
- Nurturing
- No nonsense
- Rigor, engagement, and creativity: Teacher With-it-ness
- Get the kids excited about learning
- In other words: multiple ways your personality reaches kids/ all the ways you are capable of teaching/differentiating instruction/using multiple modalities
- smiles, animation, and a lot of expression - want to see the kids involved; 50% teacher talk, 50% student talk- involvement
- At the end of the lesson kids should be able demonstrate what they learned- they should display this in the lesson/ teacher should ask for a **synthesis of learning**
- We encourage the use of technology and can support your technological needs, but technology is not a substitute for engaging students
