

Update on Official End of School Year Dates -- May 18, 2020

Dear GPA Families,

I hope you are continuing to stay healthy and safe as we remain quarantined due to the COVID-19 global pandemic. I am so proud of our GPA Eagles and our entire school community for continuing to rise above during these challenging times, in order to stay connected and engage in our supportive Continuity of Learning plan.

Thank you for all the hard work you are providing at home during this crisis and for your continued trust in GPA.

To ensure GPA students and staff remain safe and healthy in the coming months, and to continue student learning during this dynamic health crisis, we are currently studying guidance from public health authorities, obtaining recommended safety supplies, and developing plans for how we will safely move forward in the fall and provide instruction to students. In order to best support you and your family, and to provide time for us to plan for what we know will be a very different upcoming school year at GPA, **the final day of school/tutoring for students in grades 6 - 11 will be Friday, June 19, 2020.**

This has been a very different year than any of us had ever imagined. Uncertain when GPA campus will open, we are using the summer to prepare for a distance learning plan for the Fall term to serve our students safely. More information to come after June as we plan for our “new normal.” Continue to reach out to us and stay connected.

Questions regarding Enrollment 2020-2021: Please visit our [virtual office hours](#) via Zoom Tuesdays and Thursdays 9 -11 and 3- 5 or email enrollment@gomperscharter.org.

Again, take good care of yourselves and your families!

With Students First,

Vincent M. Riveroll
Superintendent/Director
