Office of the Director

Vincent M. Riveroll

Director's Report Presented to the GPA Board of Directors May 2017

AP Testing Update

May 12th marked the end of GPA's sixth Advanced Placement testing season. A total of 152 students took exams this year, with 226 exams taken in all. Thanks to increased night time study hall options on campus, and added AP Saturday review sessions, students reported feeling better prepared for the demands of the exams and look forward to receiving their results in the mail in early July.

CAASPP Testing

From May 16th through May 26th students in grades 6, 7, 8, 10 and 11 will be participating in their grade level California Assessment of Student Programs and Progress (CAASPP) assessments. This year, students in grades 6, 7, 8, and 11 will be participating the SBAC and CAA (*California Alternate Assessment*) for ELA and Math. In addition, students in grades 8 and 10 will be participating in the CAST (*California Science Test*) and CAA for science. The CAST is a pilot test, which is replacing the CST Science exam. This new exam is based on the NGSS (*Next Generation Science Standards*) and will not result in any scores this year.

Math Developments

Thanks to the **San Diego Math Network** bringing math teachers together from around the region, GPA has some important developments to report in the area of math.

- *UC Math Placement Test Prep:* GPA has hired a local community college professor to assess and instruct our UC-bound seniors in areas of math known to be challenging for our alumni in their first year college math course work.
- *Math Network Professional Development:* GPA teachers continue to benefit from the math network's various learning events. Most recently, GPA sent teachers to "Clothesline Math," which resulted in a collaborative lesson implementation here at GPA that included a coach from the San Diego County Office of Education.
- *Diagnostic Placement Test:*
Our UCSD bound seniors will put their math preparations to the test by taking UCSD's math placement test here on the GPA campus on June 5th.

Enrollment/ADA

New Student Enrollment

Enrollment Lab for new students took place on Saturday, April 15th, Monday, April 17th and Tuesday, April 18. To date, there are 205 6th grade students officially enrolled for the 2017-2018 school year.

Returning Student Enrollment

Enrollment Lab for returning students is taking place May 1st – May 4th. This year student enrollment is completely online utilizing the Infosnap program. Parents who needed assistance

(Enrollment—continued) were afforded the opportunity to use a computer onsite and receive assistance creating an email account in order to complete the online enrollment.

Current Enrollment

Grade	Total in Grade
6th	216
7th	213
8th	202
9th	190
10th	146
11th	140
12th	113

Total: 1220

PTSC Teacher Luncheon

On Monday, May 1st the Parent Teacher Student Connection (PTSC) held a luncheon for all staff and teachers in honor of Teacher Appreciation Week.

UCSD CASP Reception

On Monday, April 25th Director, Cabinet and the Senior Team attended the UCSD reception to celebrate the Chancellor's Scholarship awardees from the Class of 2017.
